Membership report was given by the Adjutant and the Squadron currently stands at 68% of renewals. The Adjutant also stated that there likely would be no further movement as a large number of past members are choosing not to renew. It was also stated that if we wanted to get to 100%, we would need to recruit at least 15 new members.

Old Business:

The Commander reminded the Squadron that we were responsible for the December Breakfast Raffle Basket. It was suggested we get lotto tickets and some other small items to include something alcohol to put in the basket.

New Business:

There was a discussion about the need for Squadron members to participate in Post and Auxiliary events. If we get seen, we can grow.
