

REQUEST TO TRANSFER TO LOCAL POST

Yes! I'm interested in transferring to a local Post. (The receiving Post is the final authority on a transfer.)

To transfer to a local post simply fill this out and then mail it back with your membership dues in the reply envelope enclosed.

I understand the local Post may require a copy of my separation from active duty papers. (The Post's Service Officer will then be able to file a claim if necessary, on your behalf with no delay. The Post's Service Officer can also help you get replacement separation papers if yours have been lost or destroyed.)
